

March 2010

Dear Sirs,

This is to inform you that the BTM Consult ApS publication

**International Wind Power Development
World Market Update 2009
Forecast 2010– 2014**

can be ordered. This fifteenth edition of the market report of 120 pages contains more than 80 tables and graphs showing the development in one of the world's fastest growing industries. See in details how this booming industry has upset all conservative forecasters in the light of the economic downturn in financial sector and other industry sectors and how the Top15 turbine suppliers were re-ordered after Chinese WTG OEMs presented a very good performance at home.

This year's special topic is :

The outcome of COP15 and its impact on wind power development

The BTM Consult opinion on the COP and the result of the meeting what is to expect in terms of Wind Power development in this context.

To order the report, just fill in the order form at the bottom of this page and return the fax to + **45 97 32 55 93** or e-mail the order to pk@btm.dk or btm@btm.dk

Delivery will take place immediately on publication as it is scheduled for release March 29th.
