

World Market Update in Chinese language

FROM BTM CONSULT — The Premier forecasters of the international wind industry — are now publishing their Chinese language version of the World Market Update 2006. The report was introduced at the recently held *Shanghai Wind Power 2007 Conference*.

BTM Consult
“ World Market Update 2006” (Chinese Version)
ISBN 978-87-991869-1-4

To serve our customers who are working in the fast growing Chinese wind energy market we have made a translation of our World Market Update 2006.

The New report is a translation into Chinese language of the BTM World Market Update with all the graphs and illustration as is in the English language version. This first edition the Chinese language report of 80 pages contains more than 80 tables and graphs showing the development in one of the worlds fastest growing industries. The special topic in this Chinese language version is the same as in the English language:

The Global Wind Energy Market Drivers

The price for the report is **€ 360.00** or **US\$ 500,00** incl postage. (Courier service available at extra charge).

Quantity discount are available for the purchase of:

2-5 copies: 15 % discount on all copies

more than 5 copies : 25 % discount on all copies

Also available is a CD Rom for Power Point presentation of all tables and graphs from the report.

Corporate license on the CD (For Company Intranet Use only) **€ 1.600.00** or **US\$ 2,000.00.**

Special Combo Package available (1 Report and 1 CD Rom) at **€ 600.00** or **US\$ 800.00**

To order the report, just fill in the order form at the bottom of this page and return the fax to + 45 97 32 55 93 or e-mail the order to pk@btm.dk or btm@btm.dk

Delivery will take place immediately on receipt of order.

Sincerely
Per Krogsgaard
